

BULLETIN NO.4**SPRING 2011**

Michael Rogers Property Management Limited continues to expand. We now provide a nationwide property management service for a mixed portfolio of commercial properties with a total estimated value of £100m, rental values of some £6.5m per annum and annual service charge budgets of approx £1.5m. Clients include Waitrose Ltd, the Metropolitan Police Friendly Society, Cube Real Estate Ltd, the Electrical Contractors Association, the Crest Nicholson Group as well as private investors, family trusts, housing associations and property companies.

We can offer help and advice on many current issues:

EMPTY PROPERTY BUSINESS RATES RELIEF CUT FROM APRIL 2011

- From 1 April 2011 the empty property business rates threshold will revert to £2,600 from the current level of £18,000.

TM44 AIR CONDITIONING INSPECTIONS

- Air conditioning systems over 250kW are required by law to be inspected and this should have been carried out by 4 January 2009
- Systems with an output of 12kW but less than 250kW were due for inspection by 4 January 2011
- Further inspections are due every 5 years

ASBESTOS MANAGEMENT

- There are now 2 types of survey:
 - ❖ Management Survey
 - ❖ Refurbishment and Demolition Survey
- Does your duty holder have a management plan and register for your premises and is it being managed in accordance with the new guidance HSG 264?

If you would like to discuss the above, or any other property management topics, please call us or visit the “Property Management” section of the Michael Rogers LLP web site: www.michaelrogers.co.uk
