Flexible, easily divisible floorplates

WCs on all floors & disabled on ground and first

Recessed lighting LED panels

# LOCATION

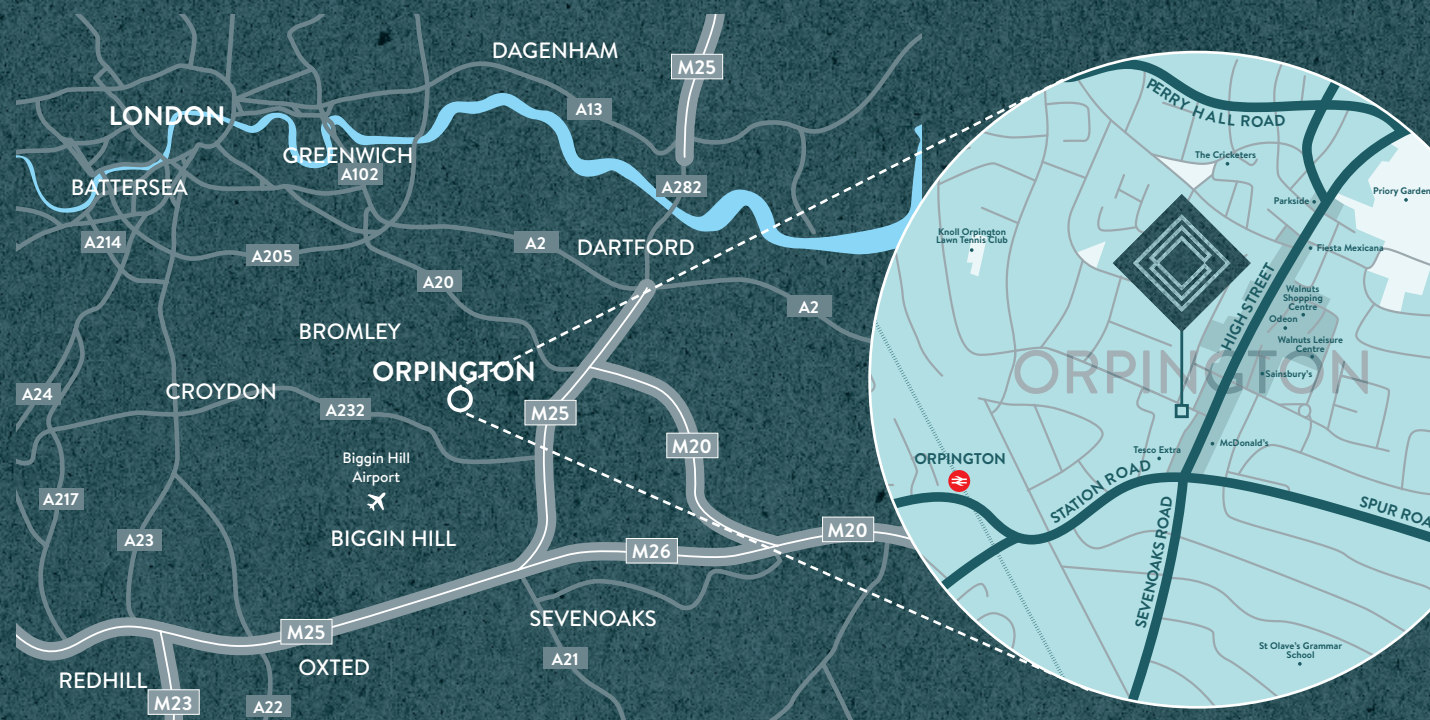

Central Court is prominently located at the heart of Orpington Town Centre. It is situated on Knoll Rise which is directly off the High Street next to its junction with the A232 Spur Road. This leads to Orpington Railway Station and Croydon Town Centre.

The property lies adjacent to Tesco's mixed-use development constructed in 2009 for £43.5 million comprising a Tesco Extra store, 73 apartments, a multi-storey car park and a medical facility.

Orpington is an affluent residential location with expansive public spaces with the benefit of a lively high street offering many retail and leisure amenities which are all within walking distance of the property. High street retailers/restaurants include Pizza Express, Tesco, Boots, WH Smith and Sainsbury's.

The Walnuts Shopping Centre is located within 5 minutes' walk of the property down the High Street. Following its recent purchase by Tikehau Capital and Rob Tincknell's urban regeneration specialist Areli Real Estate, investment into the scheme is expected to act as a catalyst for future regeneration across the Town Centre.
